AUDIT COMMITTEE CHARTER

I. Introduction

The Audit Committee established by the Supervisory Board (the "Audit Committee") of **ProQR Therapeutics N.V.** (the "Company"), has been allocated certain tasks, duties and powers in connection with the internal accounting and audit functions of the Company, the external audit of the Company's financial statements and compliance functions. This Amended and Restated Audit Committee Charter (as may be amended, restated or otherwise modified from time to time, the "Charter") specifies the tasks, duties and powers of, as well as the composition of and decision-making by, the Audit Committee.

This Charter shall be posted on the Company's website.

II. Composition

The members of the Audit Committee shall consist of Supervisory Board members and shall be appointed by the Supervisory Board on the basis of a recommendation by the Nominating and Corporate Governance Committee, subject to the provisions below.

The number of individuals serving on the Audit Committee shall be fixed by the Supervisory Board from time to time but shall consist of no fewer than three members. All members of the Audit Committee shall (1) be "independent" as defined in Rule 5605(a)(2) under the Listing Rules of The NASDAQ Stock Market LLC (the "NASDAQ Rules"); (2) satisfy the criteria for independence set forth in (x) Rule 10A-3(b)(1) promulgated under Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), subject to the exemptions provided in Rule 10A-3(c) under the Exchange Act, and (y) the Dutch Corporate Governance Code; and (3) not have participated in the preparation of the financial statements of the Company or a current subsidiary of the Company at any time during the past three years.

Notwithstanding the foregoing, one individual who (1) is not "independent" as defined in Rule 5605(a)(2) under the NASDAQ Rules; (2) satisfies the criteria for independence set forth in (x) Section 10A(m)(3) of the Exchange Act and the rules thereunder and (y) the Dutch Corporate Governance Code; and (3) is not a current officer (which term excludes Supervisory Board members but includes Management Board members) or employee of the Company and its subsidiaries or a Family Member (as defined in NASDAQ Rule 5605(a)(2)) of such officer or employee, may be appointed to the Audit Committee, if the Supervisory Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required by the best

interests of the Company and its stakeholders, and the Company discloses in its Form 20-F, the nature of the relationship and the reasons for that determination. A member of the Audit Committee appointed under this exception may not serve on the Audit Committee consecutively for more than two years and may not chair the Audit Committee.

Each member of the Audit Committee must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities, which results in (1) the individual's financial sophistication and (2) where possible and appropriate, him or her being a financial expert with relevant knowledge and experience of financial administration and accounting for listed companies or other large legal entities as referred to in best practice provision III.3.2 of the Dutch Corporate Governance Code. One or more members of the Audit Committee shall qualify as an "audit committee financial expert" under the rules promulgated by the United States Securities and Exchange Commission (the "SEC").

The Supervisory Board may replace or remove any member of the Audit Committee at any time, with or without cause. Resignation, suspension or removal of a member of the Supervisory Board who is also a member of the Audit Committee shall automatically constitute his or her resignation, suspension or removal, as applicable, from the Audit Committee. Any vacancy on the Audit Committee, occurring for whatever reason, may be filled only by the Supervisory Board.

The Supervisory Board shall designate one member of the Audit Committee to serve as Chairman of the Audit Committee. The Supervisory Board shall strive to achieve a situation in which the Chairman of the Audit Committee is not (a) the Chairman of the Supervisory Board, or (b) a former member of the Management Board, as recommended by the Dutch Corporate Governance Code. In any event, the Chairman of the Audit Committee may not be a person as referred to in the third paragraph of this Section II.

III. Compensation

A member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, the Supervisory Board and/or any other committee established by the Supervisory Board, receive directly or indirectly any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries. A member of the Audit Committee may, however, receive additional compensation to compensate such member for the significant time and effort expended by such member to fulfill his or her duties as an Audit Committee member. Also, reasonable costs and expenses incurred by a member of the Audit Committee in connection with the fulfillment of his or her duties as an Audit Committee member shall be reimbursed by the Company.

This Section III is without prejudice to any indemnification arrangement to which members of the Audit Committee may be entitled, or from which they may benefit, under the Company's articles of association, contractually, pursuant to directors' and officers' insurance or otherwise.

IV. Meetings and Decision-Making

The Audit Committee shall meet as often as it determines is appropriate to carry out its responsibilities, but not less frequently than quarterly. These meetings may be in person or by conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, provided that none of the members of the Audit Committee object to this decision-making process. The Audit Committee may pass all resolutions by simple majority of the votes cast. In lieu of a meeting, the Audit Committee may pass resolutions in writing, by simple majority, provided that all members of the Audit Committee are familiar with the resolutions to be passed in this manner and that none of them objects to this decision-making process. The Audit Committee shall from time to time, but at least annually, meet with the Company's independent auditors without members of the Company's Management Board or senior management being present.

The Chairman of the Audit Committee, in consultation with the other committee members, may determine the frequency and length of the committee meetings and may set meeting agendas consistent with this Charter. Meetings of the Audit Committee shall be convened by the Chairman of the Audit Committee, at his or her own initiative or at the request of one or more other members of the Audit Committee, with due observance of a reasonable notice period.

The Audit Committee shall have the authority to request that the Company's Chief Executive Officer (the "CEO"), any other Management Board member, any Supervisory Board member, officer or employee of the Company, the Company's outside legal counsel, the Company's independent or internal auditors, or any other professional retained by the Company to render advice to the Company, attend a meeting of the Audit Committee or meet with any members of or advisers to the Audit Committee.

V. Purpose and Responsibilities

C. Matters Relating to Selection, Performance and Independence of Independent Auditors

- The Audit Committee shall be directly responsible for the selection and making proposals concerning the appointment, retention or termination or revoking of the appointment of, and the compensation of, the Company's independent auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The Audit Committee may consult with the members of the Company's Management Board and senior management in fulfilling these duties, but may not delegate these responsibilities to them.
- The Audit Committee shall be directly responsible for oversight of the work of the independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company.
- The Audit Committee shall instruct the independent auditors that the independent auditors shall report directly to the Audit Committee. The Audit Committee shall act as the principal contact for the independent auditors if they discover irregularities in the content of the Company's financial reporting.
- The Audit Committee shall pre-approve all auditing services provided these services exceed the amount of EUR 50,000 in aggregate for any calendar year, not including the audit plan (approved separately) and the terms thereof (which may include providing comfort letters in connection with securities underwritings) and non-audit services (other than non-audit services if the "de minimus" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied and non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board (the "PCAOB")) to be provided to the Company by the independent auditors; provided, however, that the pre-approval requirement is waived with respect to the provision of non-audit services for the Company if the "de minimis" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.
- The Audit Committee may review and approve the scope and staffing of the independent auditors' annual audit plan(s).
- The Audit Committee shall (1) request that the independent auditors provide the Audit Committee with the written disclosures and the letter required by PCAOB Rule 3526, (2) require that the independent auditors submit to the Audit Committee at least annually a formal written statement describing all relationships between, on the one hand, the independent auditors or any of their affiliates and, on the other hand, the Company or persons in financial reporting oversight roles at the Company that might reasonably be

thought to bear on the independence of the independent auditors, (3) discuss with the independent auditors the potential effects of any disclosed relationships or services on the objectivity and independence of the independent auditors, (4) require that the independent auditors provide to the Audit Committee written affirmation that they are, as of the date of the affirmation, independent in compliance with PCAOB Rule 3520 and (5) based on such disclosures, statement, discussion and affirmation, take or recommend that the Supervisory Board take appropriate action in response to the independent auditors' report to satisfy itself of the independent auditors' independence. In addition, before approving the initial engagement of any independent auditors, the Audit Committee shall receive, review and discuss with the audit firm all information required by, and otherwise take all actions necessary for compliance with the requirements of, PCAOB Rule 3526. References to rules of the PCAOB shall be deemed to refer to such rules and to any substantially equivalent rules adopted to replace such rules, in each case as subsequently amended, modified or supplemented.

- The Audit Committee may consider whether the provision of the services covered in Items 9(e)(2) and 9(e)(3) of Regulation 14A of the Exchange Act (or any successor provision) is compatible with maintaining the independent auditors' independence.
- The Audit Committee shall be responsible for supervising all relations with the independent auditors. The Audit Committee shall supervise and evaluate the independent auditors' qualifications, compensation, performance and independence, and shall present its conclusions with respect to the independent auditors to the full Supervisory Board. As part of such evaluation, at least annually, the Audit Committee shall:

 - assure the regular rotation of the audit partners (including, without limitation, the lead and concurring partners) and, if relevant, the audit firm, as required under the applicable laws and regulations.

In this regard, the Audit Committee shall also (1) seek the opinion of the Management Board, other relevant officers and employees and the internal auditors of the independent

auditors' performance and (2) consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm, even if such rotation is not imposed by applicable laws and regulations.

- The Audit Committee may establish, or recommend to the Supervisory Board, policies with respect to the potential hiring of current or former employees of the audit firms engaged by the Company.
- Without prejudice to the foregoing, at least once every four years, the Supervisory Board and the Audit Committee shall conduct a thorough assessment of the functioning of the Company's independent auditors within the various entities and in the different capacities in which they act. The main conclusions of this assessment shall be communicated to the Company's general meeting of shareholders for the purpose of their decision-making on the appointment of the independent auditors.

D. Audited Financial Statements and Annual Audit

- The Audit Committee shall review the overall audit plan (both internal and external) with the independent auditors and the members of management who are responsible for preparing the Company's financial statements, including the Company's Chief Financial Officer (the "CFO") and/or principal accounting or financial officer (the CFO and such other officers are referred to herein collectively as the "Senior Accounting Executive").

The Audit Committee may consider the ramifications of the use of such alternative disclosures and treatments on the financial statements, and the treatment preferred by the independent auditors. The Audit Committee may also consider other material written communications between the independent auditors

and management, such as any management letter or schedule of unadjusted differences;

- (ii) major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies;

 - The Audit Committee shall also review and discuss with the independent auditors the report required to be delivered by such auditors pursuant to Section 10A(k) of the Exchange Act.

- If brought to the attention of the Audit Committee, the Audit Committee shall discuss with the CEO and CFO (1) all significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act or applicable Dutch law, within the time periods specified in the SEC's rules and forms, and (2) any fraud involving management or other employees who have a significant role in the Company's internal control over financial reporting.
- Based on the Audit Committee's review and discussions (1) with management of the audited financial statements, (2) with the independent auditors of the matters required to be discussed by AS 1301, and (3) with the independent auditors concerning their independence, the Audit Committee shall make a recommendation to the Supervisory Board as to whether the Company's audited financial statements should be included in the Company's annual report on Form 20-F for the last fiscal year.

- In any event, the Audit Committee shall report its dealings with the independent auditors to the Supervisory Board on an annual basis, including in respect of the independent auditors' independence, the desirability of rotating the responsible partners of the audit firm and, if relevant, the audit firm itself, as required under the applicable laws and regulations, and the desirability of using the same audit firm to provide both audit and non-audit services for the Company (subject to applicable laws and regulations).

VI. Additional Authority

The Audit Committee is authorized to do any of the following as it deems necessary or appropriate:

A. Engagement of Advisers
